Office of the R.L.A.

The question for R.L.A's consideration is whether under section 3 of the Bombay Nurses, Midwives and Health Visitors Registration Act, 1935, the names of all nominated, elected and ex-officeo members of the Council shouldbe notified by Government in the Official Gazette.

Sub-section (1) of section 3 of the Bombay Nurses, Midwives and Health Visitors Registration Act, 1935, which provides for establishment and incorporation of "the Bombay Nurse, Midwives and Health Visitors Council" only requires that the State Government may by notification in the Official Gazette establish such a Council. The Notification under this provision is necessary only for the establishment and not for the constitution of the Council. Sub-section (2) of section 3 which relates to the constitution of the said Council, provides that the Council shall consist of twenty one members, out of whom eight shall be ex-officio members, ten elected by certain institutions and the remaining three nominated by the State Government. It does not provide that the names of the persons who have been elected or nominated to be members of the Council shall be published by Government in Official Gazette. The view expressed at 'A' of the L.S.G. & P.H.D. note is therefore not correct.
